

## Catch More Fish™

One of the hardest things to do in an organization as large as TBF is to build sponsorship programs that touch every member. At TBF we are working hard with our industry partners to do just that.

In 2008 TBF and Berkley\Pure Fishing are forging a relationship!

Berkley has long been a supporter of TBF and the work that TBF members do nationwide. Berkley shares our mission of fishing, youth and conservation. While we are not quite ready to announce full details of the program, we want to take this opportunity to give you some basics that you will want to be a part of!

Soon you will be able to go online and buy any Berkley\Pure Fishing product at **50% off**, just for being a TBF member! It is a great offer that will save the membership money and reward members for their support of TBF and our industry partners. It PAYS to belong to TBF!

Here are the basics of the program. All TBF clubs and members are eligible; however they must have an email address listed in the TBF Online Roster Management system, as the discount will automatically be applied when using that email address. It is that simple! If you do not have email, your club president or secretary can order for you! So, if your club president or secretary has not been online to the new system and updated your club information and club officer's information, do it now! Be ready to get your discounts on great Berkley products. Club presidents and secretaries can log on to the system at [www.bassfederation.com](http://www.bassfederation.com) – memberstuff—TBF Online Roster Management System. It is secure and safe!

# Catch More Fish™

More to come on this program soon, but we wanted to give you a heads up so you can be ready to start saving! If you need any help feel free to contact TBF National office 580.765.9031

## YAMAHA<sup>®</sup>

Earn money for your State Federation and for YOURSELF, with the Ranger, Yamaha and Evinrude TBF boat voucher program! Here's how: **TURN IN THOSE BONUS VOUCHERS!**

Ranger Boats, Yamaha or Evinrude outboards will make a \$400 donation to your state federation! That is \$400 from Ranger and \$400 from Yamaha for a Ranger\Yamaha purchase and \$400 from Ranger and \$400 from Evinrude for a Ranger\Evinrude purchase by any TBF member! In addition all three companies will put in "start up money" to your state's account each year, based on state membership size ranging from \$750-\$2500 per manufacturer! These are funds that benefit ALL member programs of YOUR federation! It is unprecedented support! Any TBF member who buys a new Ranger Boat, fills out the TBF Ranger Boat voucher ([www.rangerbonusvoucher.com](http://www.rangerbonusvoucher.com)), and sends it within 30 days of purchase; your state will receive credit. In addition, YOU can also receive a \$400 Ranger bonus voucher\* and a Pro team shirt\* for YOU the "buyer" to use to get anything from the Ranger catalog! So you will be supporting your state federation, its youth and conservation program...and gaining something "extra" for yourself in the process. All this just for being a TBF member, sending in the voucher and doing business with our partner companies! On top of all that, now that you own a Ranger Boat...you're eligible for thousands of dollars in Ranger Cup bonus money!

(\* Member level Ranger bonus voucher credit not available with any other promotion. You get to choose so make your best deal! If there is a better offer "out there" for the TBF member in a national Ranger boats promotion ...to get you more "stuff", we want you to take it! State support level amounts apply regardless.)
